

Notice of A5 Hints Bypass westbound lane closure

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

What are we doing?

To prepare for the construction of the HS2 railway line, taking it under the A5, we will be excavating a short stretch of the westbound verge to facilitate construction of the bridge.

To carry out the work safely, we will be installing a westbound single lane closure between Weeford Interchange and Fazeley on the A5.

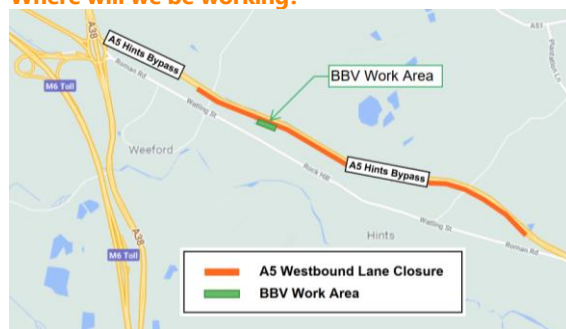

Our work is subject to consents.

When will the works take place?

We will be working on a 130m stretch of the A5, from Wednesday 8 December at 9:00pm to Tuesday 21 December 2021 at 5:00am.

Further works are planned in this location for the new year, these are currently waiting for consent and we will communicate updates once able. Our workforce can be on site one hour before and after to set up and take down our equipment.

Where will we be working?

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
