

# Notice of overnight closures on A38 at Streethay

January 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

## The work we will be doing

To ensure the safety of the travelling public and our workforce, we will be cleaning the southbound carriageway and completing drainage maintenance.

Our work is continuing along the southbound slip road and adjacent to the northbound slip road and carriageway within our own land areas. These works include the construction of a platform and undertaking piling that will support the cutting at this location.

## When the work will take place

To undertake carriageway maintenance on the **A38 at Streethay**, we will install overnight closures on the following dates:

- **Southbound carriageway closures:** Saturday 4 February, Friday 17 February, Saturday 18 February, Saturday 4 March and Saturday 18 March 2023.
- **Northbound carriageway closures:** Monday 13 February until Thursday 16 February 2023.

The overnight closures will commence at 9pm each evening and we will reopen, before rush hour, at 5:30am each morning.

Whilst we have these closures in place there will be a clearly signed diversion route in place for road users (please see map on page 2).

The narrow lanes on the main carriageway of the A38 at Streethay remain, along with a speed limit of 40 mph, to ensure the safety of the public and our workforce.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

Nine overnight carriageway closures.

Our overnight working hours during the closures will be between 9pm and 5:30am.

Our daytime working hours are 8am to 6pm (Mon to Fri) and 8am to 1pm on Saturdays. During weekdays, we may be required to work until 10pm on occasion.

## What to expect

This work is subject to consents.

Some noise and vibration may be generated from the work we are completing.

## Other contractors are working in the area

Please be aware that from March until Autumn 2023 National Highways will be carrying out essential maintenance work on the A38 between Fradley and Barton. Their work will include upgrading safety barriers, targeted resurfacing, replacing street lighting and renewing road markings. The completed work will provide a smoother carriageway which will remain well-lit and enhance road user's journeys.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
