

Notice of overnight closures on A5 Hints Bypass

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 to build the new high-speed railway in your area.

The work we will be doing

We are working with National Highways to plan and deliver HS2 works on the A5 Hints Bypass. We will be undertaking surveys and earthworks on the westbound carriageway of the A5 Hints Bypass. The surveys will help us identify the location of buried utility services, such as gas, electric or water. These surveys are non-intrusive, we will use a machine that transmits an electromagnetic pulse into the ground. These pulses reflect off features in the ground, allowing us to collect data and to understand the depth of the buried utility services.

When the work will take place

The works will take place from Monday 5 December to Friday 9 December 2022. To carry out our works safely, we will install temporary overnight closures of the A5 westbound carriageway, which will be in place from 9pm to 5am each night.

Our workforce may be on-site up to one hour before and after to set up and secure our equipment.

Where we will be working

See map on the following page detailing the closure and diversion route.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
