Subject: Business grants - Coronavirus, LDC

Good afternoon,

Hope you're well.

As you may have seen we have started doing the PR surrounding the business grants announced by the Chancellor, as a Council we are administering them. Please could you forward/share the below with local businesses? The PR can be found here: <https://t.co/IhpMzhlCA?amp=1>

Lichfield District Council are administering to eligible Lichfield District businesses the two business grants which were announced by the Chancellor.

To be eligible, businesses must be in one of the below categories:

- Receive Small Business Rate Relief or Rural Rate Relief (receive £10,000)
- Retail, Hospitality and Leisure Sector (rateable value of up to £15,000 - receive £10,000)
- Retail, Hospitality and Leisure Sector (rateable value between £15,001 and £50,999 - receive £25,000)

The council will be making contact with eligible businesses over the coming days by email and post to request the information that will enable it to make the payments.

Please be aware the letters will be sent to business addresses. This means if you are away from your business at the moment, and think you may be eligible for a grant, please email economicdevelopment@lichfielddc.gov.uk so the request for information can be provided to you.

Let me know if you'd like any further information, happy to discuss.

Cheers,

Jonathan Percival
