

Notice of overnight closures on A5 Hints Bypass

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

When we will have the overnight closures

We are working along a section of the A5 Hints Bypass, to prepare for the construction of the bridge that will enable the HS2 railway line to pass under the A5. To improve safety for road users and our workforce we will have temporary overnight carriageway closures, between Weeford Interchange and Fazeley, to install speed cameras on both the east and westbound carriageways.

- **A5 Eastbound overnight closures:** Monday 14 March and Tuesday 15 March
- **A5 Westbound overnight closures:** Wednesday 16 March and Thursday 17 March

The carriageways will be closed from 9pm each evening and reopen at 5:30am each morning. The westbound carriageway will remain single lane running once reopened. Abnormal load vehicles are prohibited from using the A5 during these dates.

Our operatives may be on site up to one hour before and after our working hours to set up and secure equipment.

During the overnight closures, there will be a clearly signed diversion route in place (see map on page 2).

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
