

I'm getting in touch to let you know about our upcoming virtual information events and one-to-one meetings available for communities to attend across the Phase 2a route.

We would of course welcome you and your parish council members to join us. It would also be good if you are able to help us to reach out to your community by sharing the information and registration links for these events across your channels and networks.

Firstly, we are holding **Phase 2a update webinars**, delivering the session across two different times and dates to provide options for those wishing to join us. These will be in the format of a presentation followed by an open Q&A.

During these webinars we will go through:

- Where Phase 2a of HS2 goes
- What activity is underway now and what to expect as we start to build Phase 2a.
- The support HS2 has made available for communities along the route of the new railway.
- The opportunities to get involved with HS2 and to engage with us.

There will also be the opportunity to ask us any questions.

These are open events and can be registered for by clicking on the EventBrite link below.

- **Wednesday 23<sup>rd</sup> June 12.30 - 13.30 or Thursday 24<sup>th</sup> June 18.00 - 19.00:**

We are also holding a series of **virtual one-to-one meetings** over two days. Local residents, organisations and businesses can book a 20 minute one-to-one online appointment to discuss any concerns or questions directly with us – whether it's about how we are building the railway, what is happening in the local area or what support is available.

Appointments are available to be booked at various times across two days through the EventBrite link below. Once an appointment is selected the HS2 community engagement team will be in touch directly with further joining instructions.

- **Wednesday 30 June 10.00 - 19.00 or Tuesday 6 July 10.00 - 19.00:**
