

Updated Notice - Temporary closure of Rookery Lane

October 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

We are constructing haul roads and accesses along the HS2 route. Haul roads are temporary roads provided within a working area to allow for the movement of construction materials, construction machinery and/or construction staff around the site. Haul roads are Balfour Beatty VINCI's preferred logistical transport link, as they reduce the number of vehicle movements interfering with the existing local road network and provide the greatest possible control over works activity.

To allow our vehicles to safely cross Rookery Lane and to maintain the safety of road users, equestrian and pedestrians, we will create a signalised vehicle crossing point.

When these works will take place

To enable us to complete these works, we will require a temporary closure of Rookery Lane over this period.

These works will now take place from 7 November to 25 November 2022. The closure will be in place for 24 hours each day until completion of the works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

These works will take place from 7 November to 25 November 2022.

Our working hours will be 8.00am to 6.00pm (Mon-Fri)

Our workforce may be on site one hour before and after to set up and take down our work equipment.

What to expect

Traffic management on local roads while we complete these works.

We will install signage on the roadside.

What we will do

Inform you in advance of any changes to the date(s) shown.

Keep all sites safe and secure.

Ask you to register with hs2instaffordshire.co.uk to receive updates.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
